GRAPE SEED EXTRACT

100 MG STANDARDIZED GRAPE SEED EXTRACT
RICH IN PROTECTIVE POLYPHENOLS AND OPCs

DIETARY SUPPLEMENT

360 Easy-to-Swallow Capsules

Andrew Lessman's GRAPE SEED EXTRACT delivers concentrated levels of our unique standardized extract. **Grape Seed** has long been viewed as one of nature's most abundant sources of protective compounds called polyphenols and our **Grape Seed Extract** is standardized to provide a remarkable concentration of 95% polyphenols. Plus, over 75% of those polyphenols are the highly protective and desirable **OPCs (Oligomeric Proanthocyanidins)** that neutralize a wide variety of damaging free radicals in the body. **Grape Seed Extract's** protective benefits extend throughout the body, but it has long been recognized for its healthy support of the circulatory system; including the hard-working blood vessels and delicate capillaries that nourish our legs, skin, eyes and other vital organs. **Grape Seed** is one of Mother Nature's richest sources of anti-oxidants and our unique **Grape Seed Extract** now concentrates those protective benefits to previously unavailable levels.
