Combining the ingredients from these formulas results in a blend of more than 30 standardized extracts from many of the world's healthiest foods. **Ultimate Anti-Oxidant Extracts** delivers the most protective polyphenols from Green Tea, Red Wine (Resveratrol) and Pomegranate, as well as a wide array of protective compounds from standardized extracts of richly colored berries (Açai, Bilberry, Blueberry, Cranberry and Elderberry), as well as uniquely powerful extracts from Cruciferous Vegetables (Broccoli, Wasabi, Mustard Seed, Red Cabbage, Brussels Sprouts and Kale), along with the well-established benefits of extracts of Spices (Deodorized Garlic, Curcumin (Turmeric), Oregano, Rosemary, Sage and Thyme).
